MEMORANDUM FOR: Committee on Imagery Requirements and Exploitation

SUBJECT: Data Base Concepts and Development Guidance

1. Attached is a draft of the Imagery Data Base Concepts and Development Guidance paper. This paper is intended to describe concepts and guidance developed by the DBWG since the establishment of COMIREX in July 1967.

2. COMIREX members are requested to review this draft and be prepared to discuss it at the COMIREX meeting on 14 December. The object of this paper is to familiarize members with the development of the Imagery Data Base. The background should assist COMIREX members in providing guidance to members of the Data Base Working Group to ensure full community understanding and participation.

3. As the data base develops during the next six to 12 months, the DBWG will continue to expand and clarify the concepts and guidance found in this draft. The understanding, expression of views, and guidance of COMIREX members are considered essential to implement effectively the National Base of Imagery Derived Information. Effective guidance and continued affirmation of the concepts involved in the data base development is essential to continued progress in its establishment.

4. This draft will be on the COMIREX agenda for 14 December 1967.
